

Reputation Manager

It's important to know what people are saying about your business online and with Reputation Manager, we make it easy to keep your eyes on it all.

When it comes to your reputation, **visibility is key.**

71% of consumers say they're more likely to use a business that has responded to their existing reviews. (BrightLocal)

95% of unsatisfied customers will return to a company if it manages to solve the issue quickly and efficiently. (Social Media Today)

What happens when you put it to work?

You: make sure negative comments never slip through the cracks.

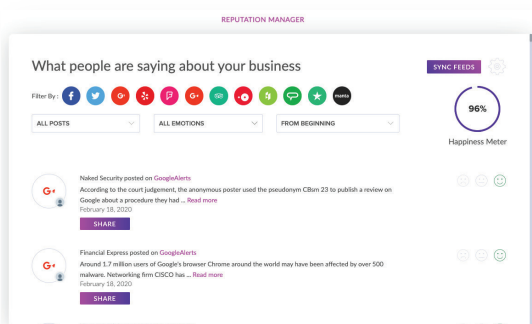

- Save time managing your reputation on multiple platforms.
- Boost engagement with your customers online.

Don't miss a thing on these **platforms.**

You're three steps away from **shaping your own reputation.**

1. Connect your social accounts.
2. View and respond to comments, all in one place.
3. Share the positivity by posting comments to your social media platforms.

Benefit from the power of our **A.I. Sentiment Engine.**

- A.I. identifies the sentiment of each comment and gives you a Happiness Score. See how you're doing online with a single look.
- Filter your feed so negative comments that require your attention always appear on top.
